LIFE SCIENCE STOCKROOM

SAVE TIME AND MONEY

We carry a wide variety of items for your research lab, ranging from molecular biology reagents, media, research kits to consumables such as gloves, tips and tubes. If we do not stock an item, we would be happy to help you place a special order through our vendors.

ARC Life Science Stockroom will always provide free shipping and handling as well as a discount from most vendors. Orders are placed, processed and billed by the stockroom to save you time and money.

PURCHASING

Visit the Life Science Stockroom to purchase stocked items. Bring the name of your PI/Faculty member and your 7 digit CSU grant number.

A copy of your invoice will be sent to your departmental accounting technician the following day.

You have 7 days to view or change the invoice before it is uploaded to the CSU system and billed to your account.

For a list of available products, visit our website.

SPECIAL ORDERS

If we don't have what you need - place a special order. All special orders must be placed Tuesdays or Thursdays before 11 a.m.

3 Ways to Place Special Orders:

Call: (970) 491-3459

Email: ARC_Stockroom@colostate.edu

Visit: Microbiology C115

Most shipments will deliver overnight or within 3-5 business days. Special orders can be placed with any of the freezer vendors represented in the stockroom.

To learn more, visit our website.
