

Monday – Friday
Aug 28 – Sept 1
8:00am - 5:00pm

Hosted by the Poudre
Fire Authority

Fort Collins, CO

COLORADO STATE UNIVERSITY DRONE FLIGHT SCHOOL

Get your FAA Part 107 Drone License

\$550 for CSU Affiliated Students, researchers, staff, and faculty
\$650 for non-affiliated community members

The CSU Drone Flight School is designed to teach the knowledge and experience needed to pass the initial FAA Part 107 Remote Pilot exam, including flight safety, FAA regulations, airspace, *hands-on flight training* and more. Gain experience and flight time using our aircraft in a safe environment, and learn real-world mission planning, program management, risk analysis and emergency procedures.

Class Size is limited. Apply early! Registration and additional information is online at: research.colostate.edu/csudronecenter/
