

# Chronic Pain Research

Do you experience chronic pain?  
Do you have someone in your life who  
also has pain?

We may be able to help.

We are looking for two connected people (spouses, partners, parent/adult child, and friends/neighbors) who have chronic pain and who help each other to take part in an online/virtual education and gentle movement study.

Compensation will be provided for participation.

We are looking for participants with the following criteria:

- ✓ Must be 18 years of age or older
- ✓ Must have a willing partner (i.e., care receiver or caregiver)
- ✓ Must have chronic or persistent pain

- ❖ 8-week study
- ❖ Gentle movement and education for people with pain
- ❖ Up to \$100 in gift cards
- ❖ Free sessions led by professionals
- ❖ Online sessions for convenience
