

FY23 SERVICE FEES

Animal Ordering Fee. All incoming animal deliveries housed in LAR facilities are charged an animal order processing fee including reordering of replacement animals. Animal purchases from outside vendors are sold on a cost recovery basis. LAR has multiple standing Purchase Orders with approved animal vendors. Investigator's not employing LAR husbandry services may request to use our standing Purchase Orders and the same rate will apply.	\$42	per order
First Day Rate (FDR) Non-Rodents. One-time set-up fee per animal for incoming animals	\$4.22	per animal
First Day Rate (FDR)- Rodents. One-time set-up fee per cage for incoming animals.	\$2.96	per cage card
University Holding Protocol Fee. Fee to use the University Holding Protocol (UHP). Applies to incoming animal orders and active cage cards when an IACUC Protocol has expired. Animals are permitted on the UHP for up to 30 days and no research activities may be performed until the new IACUC protocol has been approved and animals have been transferred to the new protocol	\$63	per instance
