

2023

Biosafety Poster Contest

Blend your creativity and scientific knowledge in support of October 2023 National Biosafety and Biosecurity Month and the CSU Biosafety Stewardship Initiative.

Your work
will help raise
awareness
and inspire
action across
campus!

POTENTIAL TOPICS:

- Keeping lab fridges/freezers clean and inventoried
- Proper PPE use
- Proper containment and/or disinfection of infectious agents
- Promoting a culture of biosafety
