NIH Project Title:

Subrecipient Name:

CSU Proposal#:

As a collaborator with Colorado State University under the above referenced NIH proposal, Subrecipient understands that if this subaward is funded, and your institution is outside of the United States, as an NIH foreign subrecipient, your institution must provide access to copies of all lab notebooks, all data, and all documentation that supports research outcomes as described in the progress report, to Colorado State University, with a frequency of no less than once per year, in alignment with the timing requirements for Research Performance Progress Report submission.

By signing below, I assert that our institution has made our Principal Investigator of this proposed project aware of this requirement and our Authorized Signatory understands and agrees our institution will abide by this requirement, if awarded. These terms will be incorporated into the subaward agreement.
