

Financial Conflict of Interest (FCOI) Training Requirements

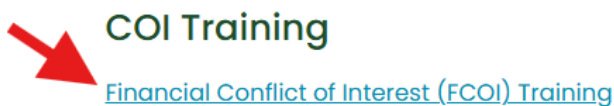

OFFICE OF SPONSORED PROGRAMS
COLORADO STATE UNIVERSITY

Traditionally, FCOI training requirements have been primarily mandated by federal Public Health Service (PHS) agencies or by other organizations that adopt the PHS Financial Conflict of Interest (FCOI) regulations. However, many other sponsors and organizations, such as the National Science Foundation (NSF), Food and Drug Administration (FDA), National Aeronautics and Space Administration (NASA), Department of Energy (DOE), etc., have adopted these policies or created their own.

All investigators participating in designing, conducting, or reporting research for sponsors or organizations with FCOI policies must complete FCOI training. The training must be completed prior to engaging in funded research and should be renewed at least every four (4) years.

COI Training & Learning Access & Information

CSU investigators with incomplete or out-of-date FCOI training are required to complete the Collaborative Institutional Training Initiative (CITI) FCOI training tutorial. To access the required COI Training, go to the OVPR, Research, Integrity, Security, and Compliance (RISC) [Conflict of Interest](#) webpage, then select “Financial Conflict of Interest (FCOI) Training.”

Note: The training module in CITI is accessed via the ‘Log in Through My Organization’, Single Sign-On (SSO) option. It requires users to first select ‘Colorado State University’ and then to authenticate with Shibboleth using their CSU NetID and password.

LOG IN LOG IN THROUGH MY ORGANIZATION REGISTER

Organizations listed here use "Single Sign On" (SSO) for CITI Program access.
SSO requires a username and password issued by the organization.

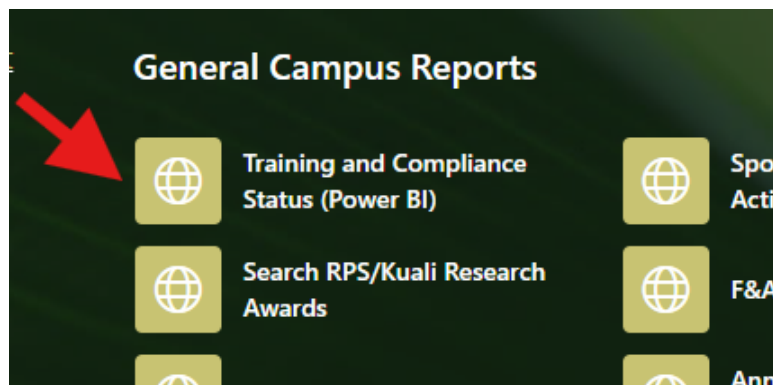

If your organization is not listed here, it does not use Single Sign On. Click on the "Log In" tab (if you already have a CITI Program account) or the "Register" tab (if you are new to CITI Program and creating an account for the first time).

To find your organization, enter its name in the box below, then pick from the list of choices provided. ⓘ

Check Training and Compliance records completion dates

Access the Power BI report “Training and Compliance” report via [MyRAM](#).

Important! The Training and Compliance report shows only the logged-in user's information unless they have been added to the group with additional permission to see other people's information (by department or college).

Agencies Requiring FCOI Training

See current Agency policies on the OVPR, Research Integrity, Safety, & Compliance (RISC), [Conflict of Interest](#) webpage, and on the CSU Financial Conflict of Interest Policy accessed below.
